HILLTOPPER

Rocky Grove High School

Here is the "nest" of the Orioles, of the administrators, of the faculty, of the students. It is from this perch that the senior orioles take flight to a different, challenging new life, but also they look back over out-spread wings and remember all the wonderful times—assignments, subjects, basketball games, teachers, administrators, hokey pokeys, bunny hops, proms, banquets, and finally graduation—the solo flight.

DEDICATION

We, the members of the graduating class, proudly dedicate our yearbook to Mr. Vern Alderson, High School Principal.

In spite of his numerous responsibilities and lack of leisure minutes, he still has time to be affable and sympathetic. It is he that keeps the intellectual wheels oiled and moving efficiently.

We believe his philosophy is that an ounce of foresight, mixed with a little planning and discretion, is a much better solution to school problems than a pound of discipline.

Because we appreciate the tremendous amount of work, encouragement, and understanding that he has given us, we wish to acknowledge our indebtedness by showing our admiration and respect for him by this dedication.

SENIOR CLASS OFFICERS

SENIOR CLASS HISTORY

In the year 1944 most of us in the class of 1956 first began to follow the path of knowledge.

Twelve long years have passed in which we have changed in many ways. During these years we have learned not only what was written in books, but also how we must live in the world of tomorrow.

During our lives we will meet certain people who will leave a lasting impression upon our minds. Our teachers will rank high among these. We thank them for setting us firmly on the road of life.

Now we are facing an unknown future. What it will bring we do not know. We do know it will have its successes and failures, its joy and happiness, and even its sorrows at times. Yet we will try to face this future with a realization that all things are possible if we will but have faith in our God and undying courage in our hearts.

JUNIOR CLASS OFFICERS

JUNIOR CLASS HISTORY

The school term 54-55 was a busy year for the members of the junior class at Rocky Grove High School. At the beginning of our fall term we elected officers. By this time we were beginning to feel at home in the role of upper classmen. Then in April came our junior play. This took a lot of hard work, but it was worth it the night of the performance.

Then came the climax of the year, the Junior - Senior Banquet and Prom. Most of us had a part, small as it may have been, in making this a memorable occasion for all who attended.

We shall never forget our wonderful junior year, and we certainly are looking forward to our senior year.
